Re: United States v. Lawal Babafemi  
Criminal Docket No. 13-109 (JG)

Dear Judge Gleeson:

The government writes to respectfully request a second extension of time to file its sentencing letter currently due January 23, 2015 in the above-captioned case and for an adjournment of the sentencing hearing currently scheduled for January 30, 2015 because the government has very recently become aware of new information that may bear directly on a disputed issue at sentencing. The government has been investigating the information in the hopes of proceeding as scheduled but due to circumstances beyond its control respectfully requests additional time in order to determine whether such information is relevant and may be made available to the Court. Accordingly, the government requests an extension of time, until February 27, 2015, to file its sentencing memorandum. In addition, the government respectfully requests an adjournment of the sentencing date until March 7,
